ABOUT ME

As a physiotherapist, I am dedicated to helping individuals regain and maintain their optimal physical function and mobility. With a strong background in anatomy, physiology, and rehabilitation techniques, I am committed to providing personalized care tailored to each patient's unique needs and goals. I am empathetic, patient-focused, and skilled in developing effective treatment plans that promote recovery and improve quality of life. Additionally, I value collaboration with other healthcare professionals to ensure comprehensive and integrated care for my patients.
