## MOTIVATION LETTER

My name is Akib Islam Tamim, and I am writing to express my strong interest in pursuing the BA (Hons) in Business Management at Neils Brock Copenhagen Business College. Having completed my SSC in 2019 and HSC in 2021, both in the Humanities group with GPAs of 4.50 and 4.75, respectively, I have developed a solid foundation in understanding human behavior, societal trends, and cultural dynamics. However, I have always been driven by a desire to delve into the business world, where I can apply these insights in a practical and impactful manner.

The BA (Hons) in Business Management program at Neils Brock Copenhagen Business College stands out to me because of its comprehensive curriculum, which is designed to provide students with a robust understanding of both the theoretical and practical aspects of business. The program's focus on critical thinking, leadership, and innovation aligns perfectly with my career aspirations. I am particularly drawn to the opportunity to engage with diverse perspectives and to learn in a globally oriented environment, which I believe will broaden my horizons and prepare me for the challenges of the global business landscape.

My interest in business management is deeply rooted in my long-term career goals. I aspire to become a successful entrepreneur, creating businesses that not only thrive financially but also contribute positively to society. I believe that effective business management is the key to achieving this goal, as it involves making informed decisions, leading teams effectively, and continuously adapting to the ever-changing business environment. The knowledge and skills I will gain from this program will equip me to navigate the complexities of the business world and to make a meaningful impact in the field.

Furthermore, I am eager to immerse myself in the vibrant academic and cultural environment of Copenhagen. I believe that studying in such an innovative city will inspire me to think creatively and to develop solutions that are both effective and sustainable. The international exposure and networking opportunities that Neils Brock offers are invaluable, and I am confident that they will enhance my personal and professional growth.

In conclusion, I am highly motivated to pursue the BA (Hons) in Business Management at Neils Brock Copenhagen Business College because I believe it will provide me with the knowledge, skills, and experiences necessary to achieve my career goals. I am excited about the possibility of contributing to and learning from the diverse community at Neils Brock, and I am confident that this program will be a pivotal step in my journey towards becoming a successful business leader.

Thank you for considering my application.

Sincerely,

Akib Islam Tamim
