MOTIVATION LETTER

I am writing to express my sincere interest in pursuing a BA (Hons) in Business Management at Neils Brock Copenhagen Business College. My name is Ashraful Islam Robin, and I have recently completed my Higher Secondary Certificate (HSC) in 2022, achieving a GPA of 4.75. Prior to that, I completed my Secondary School Certificate (SSC) with a GPA of 4.83. My academic background, coupled with a strong passion for business and management, has driven me to apply for this esteemed program.

The decision to pursue a degree in Business Management stems from my long-standing interest in understanding the dynamics of business operations, leadership, and strategy. From an early age, I have been fascinated by how businesses operate, adapt to market changes, and thrive in competitive environments. My exposure to various business concepts during my studies, coupled with real-world observations, has only deepened my desire to gain a comprehensive understanding of this field.

Neils Brock Copenhagen Business College stands out to me due to its rich history, international outlook, and strong emphasis on practical learning. The college's approach to blending theoretical knowledge with hands-on experience aligns perfectly with my learning style. I am particularly drawn to the opportunity to study in a diverse environment where I can engage with students from different cultural backgrounds, enhancing my global perspective.

My goal is to build a career in business management, where I can contribute to the growth and development of organizations. I am particularly interested in areas such as strategic management, marketing, and entrepreneurship. I believe that the knowledge and skills I will acquire through this program will equip me to tackle the challenges of the business world effectively. Moreover, the opportunity to study in Denmark, a country known for its innovation and strong business ethics, will provide me with a unique learning experience that will shape my professional outlook.

In the long term, I aspire to start my own business that focuses on sustainable practices and innovation. I am confident that the BA (Hons) in Business Management at Neils Brock Copenhagen Business College will provide me with the solid foundation and critical thinking skills necessary to achieve my goals.

Thank you for considering my application. I am eager to contribute to the college community and to grow both academically and personally through this program.

Sincerely,

Ashraful Islam Robin
